Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Avenue Community Development Corporation in fiscal year 2023.

The entity to receive funding for this project is located at 3715 Irvington Blvd., Houston, TX 77009.

The funding would be used to provide much needed affordable housing in the 29th congressional district of Texas by rebuilding and expanding Avenue Community Development Corporation's Las Brisas apartments, located in the Greater Heights neighborhood of Houston, Texas. Current tenants will be relocated during construction and invited to return after the new buildings are complete. This project will improve the quality of life for 195 households and benefit the surrounding community by replacing an aging apartment complex with an improved facility with modern stormwater management systems.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
