Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Houston Independent School District. located Houston, TX in fiscal year 2023.

The entity to receive the funding for this project is located at 4400 West 18th Street Houston, TX 77092.

To strengthen the Houston community's pipeline of students who are engaged in planetary sciences that leverages NASA, JSC, Lunar Planetary Institute (LPI), Museum of Natural Science and Rice University partnerships with Houston ISD (HISD), we propose a scaffolded approach that engages elementary through graduate students in exciting, interwoven programming. Graduate and undergraduate students will be trained on effective communication strategies and teaching pedagogies to prepare them to bring current research and hands-on activities into HISD classrooms.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sylvia R. Garcia
Member of Congress
