Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the South Houston Community Center Rehabilitation in fiscal year 2024. The entity to receive funding for this project is the city of South Houston located at 1018 Dallas Street South Houston, TX 77587. The funding would be used for the rehabilitation of the South Houston Community Center and provide a safe building structure for the city to continue its community programs including providing meals for seniors on a daily basis. Core components include roof replacement, interior and exterior rehabilitation. The project is an appropriate use of taxpayer funds because it provides crucial community services to seniors and other low-income residents which the city must be able to continue to do in a safe and comfortable setting.

The project has a Federal nexus because the funding provided is for purposes authorized by section 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sylvia R. Garcia
Member of Congress
