The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Worsham Elementary Safe Routes to Schools project in fiscal year 2026. The entity to receive funding for this project is the East Aldine Management District, located at 2909 East Aldine Amphitheatre Drive, Suite 200, Houston, TX 77039. The funding would be used to add sidewalks along seven streets adjacent to Worsham Elementary School. The project is an appropriate use of taxpayer funds because it would promote safer crossing methods for children and their families on their route to and from school.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
