The Honorable Rosa DeLauro
Ranking Member,
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Fulton Corridor Revitalization Project in fiscal year 2026. The entity funding for this project is the Houston Police Department, located at 1200 Travis Street, Houston, TX 77002. The funding would be used to support the Houston Police Department's community outreach component, the use of 150 sergeant hours and 650 officer hours, overtime crime suppression, and the purchase of supplies to improve communication within the community. The project is an appropriate use of taxpayer funds because it will help support operations and improve safety and efficiency in the Fulton Corridor of Houston, TX.

The project has a Federal nexus because the funding provided is for purposes describes in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
