The Honorable Tom Cole
Chairman
House Appropriations Committee
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Safe Drinking Water in fiscal year 2026. The entity to receive funding for this project is the City of Jacinto City, Texas, located at 1301 Mercury Drive, Houston, TX 77029. The funding would be used for the installation of a new polypropylene water main to replace the 80-year-old ductile steel and cast-iron pipes currently in place. The project is an appropriate use of taxpayer funds because the new water main will be able to distribute safe, clean potable water for residential and commercial use.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
