The Honorable Tom Cole
Chairman,

The Honorable Rosa DeLauro
Ranking Member,
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Berry Road Sidewalk and Safety Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the Greater Northside Management District, located at 615 North Loop East Ste. 104, Houston, TX 77022. The funding would be used for improving safety and providing enhanced multimodal access on an important east-west connection between two major roadways in Houston, TX. The project is an appropriate use of taxpayer funds because it will design and construct sidewalks, crosswalks, ADA-accessible ramps, and other key infrastructure such as lighting and intersection improvements along this important roadway connecting schools and businesses to the surrounding community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
