The Honorable Rosa DeLauro
Ranking Member,
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of South Houston, TX, Streets Reconstruction project in Fiscal Year 2027. The entity to receive funding for this project is Harris County Precinct 2, located at 1010 Lamar St, Suite 670, Houston, TX 77002. The funding would be used for supporting the repair and reconstruction of three critical thoroughfares serving communities in South Houston, TX, enhancing safety, strengthening economic connectivity, and improving the quality of life for residents. The project is an appropriate use of taxpayer funds because it will address deteriorating pavement, aging drainage infrastructure, and transportation and mobility safety concerns that have developed over years of heavy use and repeated natural disasters.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
